Mr Evan Hall
Chief Executive Officer
Tourism Council Western Australia
PO Box 91
BURSWOOD WA 6100

Dear Mr Hall *Evan*

Thank you for your letter dated 14 September 2016 regarding liquor licence exemptions for tour operators operating in areas managed by the Department of Parks and Wildlife.

I support your view that rather than providing approval to individual tour operators, it would be more efficient for Parks and Wildlife to provide general approval to all accredited tour operators who operate on lands and water managed by the Department. This would be conditional upon the operators complying with all requirements of the exemptions allowed in the legislation.

I will arrange for notification to tour operators and Parks and Wildlife staff of this approval.

Thank you for your advice and your initiative in this matter.

Yours sincerely

Jim Sharp
DIRECTOR GENERAL
