

2017 Rules for Entry

1. You are encouraged to enter the category that best reflects your core business. If you are entering more than one category, a separate and complete nomination and submission must be submitted electronically for each category. Entrants may only enter **one** submission in any one of the following group of categories:

- Attractions: Enter either category 1 or 2;
- Festivals & Events: Enter either category 3 or 4;
- Tour and Transport Operators: Enter either category 11 or 12;
- Accommodation: Enter either category 17, 18, 19, 20, 21, 22 or 23.

Please note: Specialised Tourism Services category is for entrants that are unable to meet the criteria of other categories. Entrants to this category are not permitted to enter any other additional categories.

2. Achievements or activities referred to within your entry must relate to the qualifying period: 1 July 2016 – 30 June 2017.

• Entrants must have traded for the **entire** qualifying period.

Exceptions apply to seasonal facilities and the following categories:

- 3 - Major Festivals & Events
- 4 - Festivals & Events
- 14 - Destination Marketing
- 24 - New Tourism Business

(The activity being put forward for consideration must have occurred within the qualifying period)

3. Unanswered questions will attract zero points. If you feel that you cannot answer a question please discuss this with your State/Territory Tourism Awards Coordinator. If you still feel the question is not relevant please explain your reasons within your submission.

4. Entrants must be based or operate in the state or territory of their nomination.

- An exception to this rule exists where there is a genuine community interest allowing an entrant to choose to nominate in another State/Territory's Awards program. To qualify for this exception the entrant must be able to demonstrate proof of membership in a relevant association OR provide a letter from that State/Territories tourism office confirming the entrant's participation in marketing campaigns or activities.
- Should a company have individual operational branches or properties in other States/Territories they may enter the individual state/territory awards as long as the majority of the submission focuses on the activities undertaken in that State/Territory.

5. An entrant, such as a chain or franchise that has multiple products, must enter each product individually if they want each business to be able to promote the achievement of winning a tourism award. Alternatively, the business may enter but the logo may only be used by the corporate entity, not the individual products.
6. An entry cannot be moved into another category following the closing date for lodgment of submissions.
7. If at any time following submission of an entry the business being put forward goes into administration, voluntary receivership, liquidation or bankruptcy, the entrant is required to advise the State/Territory Tourism Awards Coordinator and accepts that the submission will no longer be eligible for an award.
8. There is no direct entry into the Qantas Australian Tourism Awards. Only State or Territory tourism award winners in categories 1 through 25 will automatically become a finalist in the Qantas Australian Tourism Awards.
9. **HALL OF FAME:** Entrants who win the same category three consecutive years in a row at the State/Territory Tourism Awards will receive an award and entry into the Hall of Fame, the following year.

Entrants who win the same category three consecutive years in a row at the National Tourism Awards will receive an award and entry into the National Hall of Fame.

Entrants that are inducted into the National Hall of Fame are precluded from entering into that specific category at the State/Territory level for a period of two years.

Note: The entrant may enter other categories

For Category 14 - Destination marketing, a Hall of Fame status can be awarded to organisations who enter different campaigns (each year) in this category when they receive three consecutive gold wins (regardless of which campaign is entered).

Site Visits

1. The purpose of the site visit is to assess the business being nominated and for verification of claims that may be made within the submission. The site visit will be prearranged at a mutually convenient time and the judges have a proforma from which they work.

Site visit judges will ask to see the following:

- Customer Service Policies
- OH&S policies and Risk Management Policies
- Human Resources Policies
- Sustainability Policies
- Marketing Plans
- Business Plans

The absence of these documents will be reflected in the score.

2. The site inspection is out of 20 points. This score will be added to the submission score.

All entrants will receive a site visit with the following exceptions:

- **Categories 3 and 4** – Entrants in these categories will be asked to provide relevant documents via email. The allocated judge will call the entrant direct to discuss requirements and where applicable will visit their workplace/site office. There will be no points awarded.
- **Categories 8 and 24** – These categories will be visited and evaluated but due to the potential diversity of entrants will not be awarded any points.
- **Category 14, 28 and the individual awards** – These categories do not undergo a site visit.

3. Scores from the site visit do not apply at the Australian Tourism Awards.

Compliance with Competition Rules
