GRANT WRITING

Grant Writing Services

Outsourcing your grant writing during the grant application process can be a cost-effective solution to ensure your business has the best chance at securing funding. Local Tempo provides grant writing services to businesses of all sizes and across many industries - from small tourism operators to multi-national construction companies.

Our expert grant writers have had success in securing funding from \$5,000 AUD to over \$1M AUD from local and federal governments and international donor agencies in Australia and abroad.

Building Your In-House Capacity

Don't want to completely outsource your grant writing, but need a little assistance? As a business that specialises in increasing the capacity of our clients, we offer the option to develop your staff's grant writing skills and capacity during the grant writing process. Our Grant Writers can provide guidance, comments, reviews and feedback on applications, and explain where and why information needs to be added or amended. This approach significantly contributes towards our clients business sustainability.
